Office News...

We will be holding our Summer Fayre after school on Thursday 13 July. All money raised will go towards a memorial area in school for Mr Joicey. Anyone with a small business that may want to hire a table, please come and see the school office.

We will soon be using the Arbor online payments system for school dinners, trip contributions and after school clubs. Please make sure you download the Arbor App to keep up to date with all of your child's payments.

A reminder that next week is the last of after school clubs.

Please keep an eye on Class Dojo for potential strikes action next week.

Information was emailed out this week about Bring it on Brum! for parents and carers who receive **Free School Meals**. If you have not received the email and would like more information, please see the school office.
